Joint account signing authority

Either to sign All to sign (phone and visa facilities not available)

The important legal consequences of holding a joint account are:

- the right of survivorship - when one joint holder dies, the surviving joint holders automatically take the deceased joint holder's interest in the account;
- joint liability - each joint holder is individually liable for the full amount owing on the joint account.

Member 1 signature Date

Member 2 signature Date

Branch use only
