Important Information about our Term Deposits

You must give us 31 days' notice to withdraw or transfer funds standing to the credit of the term deposit before the last day (maturity date) of the period that the funds are agreed to be deposited (that is, to withdraw or transfer funds before the end of the term).

We have the discretion to delay the withdrawal or transfer until the end of the 31 days' notice period (but not beyond the maturity date).

If you may have a need in the future to immediately withdraw or transfer funds standing to the credit of the term deposit, other deposit products may be more suitable.

If you give consent for the funds standing to the credit of the term deposit to be transferred on the maturity date to a new term deposit on substantially the same terms and condition (other than the applicable interest rate), the new term deposit may have a lower interest rate.
